SATISFACTORY ACADEMIC PROGRESS POLICY AND PROCEDURE

Satisfactory Academic Progress (SAP) must be maintained to meet both the institution's academic policy and for eligibility of Federal Title IV. Both academic and pace of completion requirements are assessed at the end of each academic period.

DSDT define an academic period as:

Credit Hour Programs:	Clock Hour Programs:
1 credit hour= 45 clock hours of lecture and 30 clock hours of laboratory work	Defined as the academic evaluation periods below.

Academic Requirements

Academic requirements are evaluated using each student's cumulative grade point average (CGPA) calculated using all grades earned in courses that apply to the student's current program of study. Cumulative grade point averages are reviewed at evaluation points using the cumulative GPA and Attendance rate.

Academic Progress Evaluations

The qualitative element used to determine academic progress is based a reasonable system of grades as determined by a combination of the academic curriculum and instruction. Academic learning is evaluated at the completion of each segment of the program. Students participate in academic learning and a minimum number of practical assignments. DSDT students are required to maintain a cumulative 70% Grade Point Average (GPA) in order to be considered making satisfactory academic progress (SAP). Academic Progress evaluations are conducted at the end of each evaluation period to determine if the minimum requirements have been met.

Academic Progress is determined by an average (cumulative) of the student's theory and practical grades. Practical skills evaluations will be conducted and delivered based on the program length, according to text procedures and set forth in practical skills evaluation criteria adopted by DSDT.

DSDT considers a "C" grade or 2.0 cumulative GPA the minimum cumulative standards required to graduate.

DSDT evaluates numerical grades based on the following grade point average (GPA) scale:

A	100%-90%	4.0	Exceeds Standards
B	89%-80%	3.0	Meets Standards
C	79%-70%	2.0	Minimum Standards
D	69%-60%	1.0	Unacceptable Standards
F	59%- 0%	0.0	Failure

Attendance Policy for Clock Hour Program

Students are required to attend a minimum of 67% (66.5% or higher is rounded to 67%) of the hours scheduled based on their attendance schedule in order to be considered making Satisfactory Academic Progress (SAP). Attendance evaluations are conducted at the end of each evaluation period listed above to determine if the minimum requirements have been met. Attendance percentage is determined by dividing the total hours accrued (actual hours attended) by the total number hours scheduled at the end of the evaluation period (cumulative attendance from the beginning of the

program to the date the checkpoint is reached). At the end of each evaluation period, the institution will determine if the student has maintained the cumulative minimum requirement of 67% since the beginning of the course, which will

indicate that given the same attendance rate, the student will graduate within the maximum time frame allowed. DSDT encourages students not to miss any days. All absences are recorded and made a part of the school's permanent record. The student is responsible for class material and/or tests missed while absent (reference the Make-up Time Policy). Regardless of the average level of attendance, a student who has more than 10 school days (14 calendar days) of consecutive absences without communication to the Director of Administration and/or respective School Director will be dismissed on the 11th consecutive school day as an unofficial withdraw. Students with persistent absenteeism will be advised and subject to dismissal with re-enrollment at the discretion of the Director of Administration and/or respective School Director.

Example Attendance for a clock hour program: A student is scheduled to attend 22 hrs. per week (67% x 22= 15 clock hours)

Clock Hour Program Evaluation Points

Student will be evaluated to ensure they are meeting the SAP requirement at the following intervals.

For the following program SAP Evaluation takes place at the end of each payment period:

Diploma Program	Evaluation Period (clock hours)
Digital Marketing Professional	Academic Year 1- 300 &600 (actual hours attended)
Business Information Technology Specialist	Academic Year 1- 300 &600 (actual hours attended)
Medical Assistant	Academic Year 1- 300 &760 (actual hours attended)
Machine Learning Specialist	Academic Year 1- 300 &600 (actual hours attended)

Maximum Timeframe- Pace of Completion

The maximum time frame for completion of any program is limited by federal regulation to 150% of the published length of the program. A student is not allowed to attempt more than 1.5 times or 150% of the clock or credit hours in the standard length of the program to complete the requirements for graduation.

All students on federal financial aid must be admitted into an eligible program of study. A student is eligible to attempt a maximum of 150% of the allowable credit hours required to complete his/her program of study. Example: If an Associate of Science degree requires 60 credit hours to complete the program, a student is allowed 150% or 90 attempted credit hours in which to complete that program. This includes any credits in which the student was or was not paid federal student aid. Developmental and transfer credits are also included in the calculation.

If a student has completed less than the maximum number of allowable credit hours in the program of study, he/she may receive aid for one more term even if the total hours exceed the limit. Attempted credit hours includes all hours the student has enrolled in — including all credits which receive a grade above a “D-“, F and WF grades, repeated classes, withdrawals, pass/fail classes, audited classes, CLEP credit, advanced placement credit, transfer credits, and classes from which the student has tested out.

Credit Hour Program

The following chart outlines the maximum number of credits that can be attempted by length of program.

Clock Hour Programs

Progress is evaluated for every student at specific points as listed in the chart below. Attendance is based on 67% (66.5% or higher is rounded to 67%) of actual attendance evaluated against scheduled hours. If attendance is 67% or greater, then the student is progressing at a pace to ensure completion within the maximum timeframe.

*All attempted, repeated courses and withdrawals, (except incompletes) at DSDT are counted toward the 150% eligibility.

*All periods of attendance count toward maximum time frame.

Make-Up Time Policy

Students are expected to make-up missed days and exams. Students may utilize the various school schedules and classes to complete makeup time and exams. All attendance make-up time will be done during normal school hours but in the student's non-scheduled class time. We do not allow part-time students all students are considered full time for 22 hour pre week.

Excused Absence Policy

Absences are excused for up to 10% of scheduled course hours per payment period. A student's excused absences may not exceed 10% of scheduled course hours; absences greater than 10% of scheduled course hours are considered unexcused.

- It is expected that a student who is absent will make up hours at the next available make-up session. The dates and times for make-up sessions will be up to the instructor's discretion.

- Students can only make up hours previously missed and total attended hours cannot exceed total scheduled course hours.
- A grade of “F” will be posted if the student does not complete the required course hours.
- Students attending make-up hours must meet dress code and other DSDT policies.

Determination of Progress

Students are provided with cumulative progress reports on a monthly basis so they can track their progress. Students meeting the minimum qualitative 70% GPA requirement for academics and the quantitative 67% attendance (considered the pace) at the scheduled evaluation point are considered to be SATISFACTORY. Students that fail to meet the minimum requirements for making Satisfactory Academic Progress may have an interruption of their Title IV Funding (Financial Aid), unless the student is on Warning or has successfully appealed and was granted Probation.

Financial Aid Warning

Students failing to meet the minimum SAP requirements during an official evaluation period will be placed on Warning. The student will be advised in writing that they are in warning along with the actions that are required to attain SAP by the next evaluation period. If at the time of the next payment period, the student has still not met both the academic and attendance requirements, the student will be placed on probation. Students may not appeal an Academic Warning. A student failing to meet the SAP requirements at the end of the Academic Warning period will be sent a Probationary letter and the option to appeal the decision.

Probation

Students who fail to meet the minimum SAP after a warning period may be placed on Probation. The student will be advised via email of the actions required to achieve SAP by the next evaluation, this is called an academic plan. If at the end of the probation period, the student has NOT met both the attendance and academic requirements to achieve SAP or the guidelines indicated by the academic plan, he or she will be deemed ineligible to receive Title IV funds (Financial Aid).

Re-Establishing Eligibility

Students may re-establish satisfactory academic progress and Title IV funding (if applicable), by meeting the minimum requirements by the end of the Warning or Probationary period. Students who re-enroll who were considered as not making SAP at the time of their previous withdrawal, may re-establish FSA eligibility upon meeting the published standards at the end of their first payment period after re-enrollment.

Appeal Procedure

If a student is determined to be in probationary status, the student may appeal the determination within ten calendar days. Appeals submitted outside of this deadline will be accepted and considered but may be applied for a subsequent academic period. The Director of Student Services (Main Location) is responsible for making a recommendation on the appeal and electronically submitting the appeal to the Director of Administration (Main Location) and sending it to the respective School Director. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the Director of Student Services (Main Location) describing why they failed to meet SAP standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve SAP by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 10 business days. All determinations are final. All documentation pertaining to the appeal will be retained in the student's academic file. The appeal and decision documents will be retained in the student file. If the student prevails upon the appeal, the Satisfactory Academic Progress determination will be reversed and the eligibility for Title IV Funds (Financial Aid) eligibility will be re-instated.

Suspension and Termination Policy

Suspension or termination from DSDT may happen if the student participates in any of the following:

- Possession of illegal drugs or alcohol on school premises, grounds, or parking lot
- Theft from students, or of school property, or supplies
- Willful destruction of school property
- Insubordination
- Loud, boisterous behavior or foul language

Degrees, Diplomas and Certifications of Completions

Upon satisfactory completion of the required course hours/credits and course requirements, a degree, diploma or Certification of Completion will be issued to the student. The institution may withhold official academic transcripts and degrees/diplomas/certificates if the student has not met all financial obligations. A transcript fee of \$10 will apply if an additional request is made after the first release of transcripts. Please send a money order (personal checks are NOT accepted) and complete the Transcript Request Form.

Changing Degrees, Second Degrees, Repeating Coursework, Incompletes and Withdrawals

DSDT does not offer degree programs at this time

In the case where a student pursues a second-degree program, courses taken that do not contribute to the new degree program DO NOT count toward the 150 percent requirement. Any repeat coursework, or coursework for which a grade of incomplete or withdrawn is given counts toward both the quantitative and qualitative measures for calculating SAP. Any student pursuing an additional degree program is subject to both the 150 percent time frame and the 2.00 cumulative GPA requirements.

DSDT does not offer noncredit remedial courses. Therefore, noncredit remedial coursework is independent work and does not contribute toward the 150 percent completion time frame nor is it counted toward the qualitative 2.00 GPA requirement.

Change of Incomplete Grade

A grade of incomplete (I) may be changed to a passing grade, within the program length from the date of receiving the grade, if the student satisfactorily completes all the requirements set forth by the course instructor. Otherwise, the incomplete grade of an I will automatically be changed to an F.

A student is given 14 days from the end of the term to make arrangements with their instructor if they have an I grade because of excused absences. To change the I to an F the student must make up the missing coursework within 14 days. Once the 14-day mark has passed, F grade will become permanent, and the student must retake the course.

When a grade of I is changed to a pass or fail grade, SAP is re-calculated.

For Texas Branch Location Only:

**Incomplete: An "I" for Incomplete is assigned when all the work of a subject class cannot be completed due to circumstances beyond the control of the student. The student may complete the work by the end of the term, or the student can notify the school registrar for readmission for one opportunity to complete the work in a subsequent term beginning no later than 12 calendar months after the end of the term in which the student was assigned the "I". There will be no additional administrative or tuition fees charged for students who exercise this option; however, there may be additional fees for books, supplies, and/or tool kit.*

****Withdrawal:** Under Texas Education Code §132.061(f), a student who is obligated for the full tuition and is withdrawing for an appropriate reason unrelated to the student's academic status may request a grade of "I" for incomplete. A "W" for Withdrawal indicates that the student officially withdrew or was administratively withdrawn from the subject class. A student with a grade of "W" cannot complete the course of study and will be issued a refund in accordance with the refund policy below.

Repeated Courses

Financial Aid and Veteran Affairs funding will not pay for a repeated class if the student has already passed the class with a grade that will be counted towards his/her degree. In cases that the student receives a failing grade for their coursework, financial aid will only pay for ONE repeat of any course. All courses affect both the qualitative and quantitative SAP measures by applying the failed and repeated course toward maximum time frame. Students are required to verify attendance for terms in which they receive unsatisfactory grades.

Summer Terms

DSDT does not distinguish between summer, fall and winter terms. However, student financial aid is subject to the annual loan limits subsidized and/or unsubsidized. All periods of enrollment count toward Satisfactory Academic Progress.

Transfer Credits

DSDT is committed to recognizing and awarding transfer credits to students who have previously earned credits from accredited institutions or through recognized certifications. The transfer credit policy is designed to ensure that students receive appropriate credit for their prior learning and experiences, thereby facilitating a more efficient and cost-effective educational journey. In accordance with accreditation standards, students at DSDT College Inc. may transfer a maximum of 50% of the total credits required for their Associate Degree program. This ensures that the majority of the education is provided by DSDT, maintaining the integrity and coherence of the program. All transfer credit evaluations are conducted with the goal of maintaining academic integrity and upholding the high standards of DSDT's educational programs. Please see the full transfer credit policy for more information.

Leave of Absence (LOA)/Withdrawals

If enrollment is temporarily interrupted for an approved Leave of Absence, the student will return to school in the same satisfactory academic progress status determined prior to the leave of absence. Students must submit a LOA request form, located in the student handbook, to the main location student services department. Hours elapsed during the LOA will extend the student's contract period and maximum time frame by the same number of days taken and will not be included in the attendance percentage calculation. Students who withdraw from their program prior to completion and wish to re-enroll, will return in the same satisfactory academic progress status as at the time of withdrawal.

Withdrawals And The Return Of Title IV Funds

DSDT performs "Return to Title IV" calculations for all withdrawing students as per its R2T4 Policy. If a withdrawn student returns to school, DSDT will apply its SAP policy in continuation of such a student's

SAP-status at the time of withdrawal. Title IV, HEA federal financial aid funds are awarded under the assumption that a student will remain in classroom attendance for the entire period for which the funds were awarded. When a student withdraws from their respective program of study, regardless of the reason, she/he may no longer be eligible for the full amount of funds originally awarded. The return of funds to the federal government is based on the premise that a student earns financial aid in proportion to the length of time during which she/he remains enrolled. A pro-rated schedule determines the amount of federal student aid funds she/he will have earned at the time of full withdrawal. There is no such thing as fraction of clock hours, it is not acceptable to round clock hours for R2T4 purposes.

Federal regulations require a recalculation of financial aid eligibility if a student:

- Completely withdraws.
- Stops attending before the semester's end.
- Does not complete all modules in which the student is enrolled

DSDT students who receive federal financial aid and who do not remain in attendance through the end of the academic period may be responsible for repaying a portion of the financial aid originally received (Please see DSDT Refund Policy).

Students who do not begin attendance in classes are not eligible for federal financial aid and must repay all aid originally received.
